Art Intern
Graphic Designer

A small department, working on often-self-directed projects. Required development of consistently interesting output that could satisfy both external partners and the marketplace.

Graphic Designer
Jr. Art Director
Art Director

In team, leadership and solo capacities, responsible for hundreds of projects at many scales: from ad spots & quick-turnaround product collateral to large-scale product campaigns & multi-year web redesign projects. Worked with multiple small (5–10) project teams in a medium-sized (~100) mar-com department answering to the numerous stakeholders of a large (100,000+) organization.
